

Northeast OH 2 WK 14  
 week ending Feb. 5, 2009  
**Friends in Northeast Ohio.**

OHEJ allies like you made it clear in the EJ forums we held in 2007 that public notice in places people actually see/read is important. OHEJ allies have taken these citizen recommendations to OEPA, and are working for reform in this area. Stay tuned!

The information below is provided in order for you to see what is going on in Northeast Ohio. You will notice that some things have been highlighted to draw your attention to these items.

**Key, (PN)=In Public Notice. (NPN)=Not in Public Notice. Yellow= Application for new permit received Green=Pending draft action, pay close attention. RED=Final permit no chance for public comment.**
